Annexure -V

GENERAL CONDITIONS

- 1 The tenders will remain valid for a period of 30 days from the date of opening of Financial Bids. Bank reserves the right to accept or reject any or all the tenders without assigning any reason what so ever.
- 2 All erasures and alterations made while filling the tender must be attested by full signature with stamp of tendered, ***Overwriting of the figures is not permitted.***
- 3 The bank reserves the right to reject any or all the tenders, accept part of any tender or entrust the entire work to any contractor or divide the work to more than one contractor (item wise) without assigning any reason or giving any explanation. The rates quoted by the contractor will hold good for this bifurcation and no compensation will be paid on this account.
- 4 Joint tenders shall not be considered.
- 5 On receipt of information from the Bank on the acceptance of tender, the tendered within 3 days should submit acceptance of the work order.
- 6 The rates quoted in the tender shall include all charges of scaffolding, lift for all height, any tools and plants, freight, labor, conditions and fluctuation in the rates, all taxes or expenditure for carrying out the work including GST.
- 7 The water and electricity shall be provided by the bank for completing the work free of cost at one point.
- 8 No escalation in rates will be allowed under any circumstances.
- 9 The successful tendered is bound to carry out entire work within the period stipulated in the Annexure-III. The tendered will have to pay liquidated damages for non-completion of job within stipulated period at the rate of 1.00% of the contract amount shown in the tender per week subject to maximum of 10% of the accepted Contract sum.
- 10 The liquidated damages as mentioned above may not be enforced if the contractor applies for extension of time mentioning the reasons for extension. Extension of time in days will be granted by the Bank if it is proved that contractor is not at fault for extending the work beyond stipulated date of completion.
- 11 The successful bidder is bound to carry out items of work necessary for completion of job even though the same are not included in the schedule of quantity. Rates of extra items will be derived from the tender.
- 12 The contractor must co-operate with other contractors appointed by the bank so that entire work proceeds smoothly and to the satisfaction of the bank.
- 13 The contractor shall remove all marks & stains etc. wash and clean the floors at his own cost and hand over the site in proper manner on the completion of work.
- 14 The bidder shall acquaint himself with the site conditions, making his own arrangement for storing of material at site, lift cartage etc.
- 15 Eight percent of the value of work done shall be deducted as security deposit from the running bills of the contractor and will be retained for defects liability period (as mentioned in the Appendix) and shall be released after the defects liability period, provided no defects are noticed during the period.
- 16 The contractor will attend to all defects noticed during defect liability period. If the contractor fails to attend the defects, these defects will be rectified by the bank and the expenditure incurred on this account will be recovered from their security deposit.
- 17 The contractor shall make adequate arrangement for watch and ward of his material and shall ensure the safety, breakage and any theft of material fixed or unfixed by him or sub-contractors.
- 18 The work executed should be got approved by the Bank and the contractor shall rectify any bad workmanship pointed out at any stage and remove from site all the rejected materials, immediately.
- 19 The contractor shall be responsible for implementing labor laws, compensation for injury and accident to person whether employed by him or by his sub-contractor.
- 20 The contractor will take necessary precautions for carrying out the work avoiding any damage to structures/decorative parts of the property. The contractor will rectify any damages done at his cost.
- 21 The contractor shall ensure that workmen employed by him for execution of work are suitable covered against Workman's Compensation Act and that all liabilities arising out of Workman's Compensation Act, ESIS and other legislative enactments applicable to such works and workmen shall be to the contractor's account.

- 22 The works will be carried out as per drawings/specifications and to the entire satisfaction of the bank.
- 23 The contractor shall give due notice to the bank to check measurements of any work, which is likely to be hidden before covering the same.
- 24 In case of non-completion or delay in completion of work or non-removal of defects in time, the Bank shall be free to appoint another agency to get the job done at contractor's risk and cost.
- 25 Income Tax as applicable will be deducted at source from the Contractor's bill and will be deposited with the ITO as per rules.
- 26 The Bank may delay the progress of work, without in any way, vitiating the contract and grant such extension of time for the commencement/completion of the contract as it may think proper and sufficient in consequence of such delay and the contractor shall not make claim for compensation or damage in relation thereto.
- 27 The contractor will not execute any extra item without Bank's permission in writing.
- 28 The quantities mentioned in the schedule of quantities are approximate and can vary up to any extent. Payment will be made on actual work done by the contractor. However, the contractor should not deviate the quantity without Bank's permission.
- 29 Conditional tender quoted by the tendered is liable to be rejected.
- 30 The Bank has a right to alter the nature of work and to add or omit any item of work or to have the opinion of the same carried out departmentally or otherwise and such alternation of variations shall be carried out without prejudice to this contract.
- 31 The Bank has right to terminate the contract, if the contractor abandons the work or fails to commence and complete the work in time or fails to abide by the contract conditions.
- 32 The works shall not be considered to be complete until the contractors have removed from the premises in which the work shall have been executed all scaffoldings surplus materials and rubbish and shall have cleaned of all dirt from such works or other parts of any building in or upon which the work has been executed.
- 33 Supplier and Vendors shall provide guarantee and warranty cards duly registered by prime manufacturer and shall provide email id's and toll free no. of prime manufacturer.
- 34 For Non-warranty supplies, defect liability clause of tender shall apply.
- 35 **Note:-**
1. In case of delay in completion of work penalty @1.00% of the contract amount shown in the tender per week subject to maximum of 10% of the accepted Contract sum will be levied.
 2. All work must be done as per instructions and direction of Bank/Architect, and as per specification of Tender.
 3. Rates quoted by the bidder shall remain firm throughout the contract period (including variations) taxes, duties, levies, royalties, transportation, labor and other incidental charge etc. PVA and PVA Clause shall not be applicable.

BANK

CONTRACTOR

Annexure-VI

SPECIAL CONDITIONS OF CONTRACT

1. Intending contractor shall visit the site and get acquainted with site conditions and activities during the working hours before quoting the rates. The contractor should note and bear in mind that the Bank shall bear no responsibility for the lack of acquaintance of site and other conditions or any information relating thereto or on their part.

4. The work should be carried out as per latest PWD CSR specification and as per the standard engineering practice.
5. The contractor will take all necessary precautions for carrying out the work avoiding any damage to the structure, marble flooring of stair case and paint on the wall etc. before and during execution of job. If any damage is occurred during the execution, the contractor will rectify the damages done at his cost. Precautions should be taken for avoiding damage to other flats and common areas
6. The contractor shall employ competent supervisor for the work who shall be available (by turn) throughout the working hours to receive and comply with instruction of the employer.
7. During execution of work contractor should ensure that no hindrance or inconvenience is caused to the occupants in the building.
8. The rate shall be firm throughout the contract period including extension of time if any granted and shall not be subject to change under any circumstances. Nothing shall be paid on this account.
9. Any Repair/alteration of building will be done by contractor, whoever concerned.
10. The tendered to visit the site and examine the above items and site condition before quoting the rates.
11. All materials/Finish goods/Readymade goods, which contractor proposes to be used in the work is to be got approved by the contractor from the bank before bringing the material at site.
12. No old/ dismantled material shall be used by the contractor in the work under any circumstances. Unless otherwise specified elsewhere or under instruction of the bank.
13. The Contractor shall comply with the provisions of Contract, Labor (Regulation & Abolition) Act, 1970, Minimum Wages Act and all other Labor Laws and other Statutory Regulations (both Central and State) that may be enforced from time to time by the appropriate authorities. Bank shall not be held responsible for any penalty on failure of the any Labor Regulations. Bank shall have the power to inspect the Wage Register and for physical verification of salary paid to the staff with reference to any records of the Contractor and to insist the Contractor to comply with Laws.
14. The Contractor will be responsible to fulfill all the obligations in connection with the workers employed by the Contractor for the purpose of the Contract and all the Statutory and other liabilities, if any, including minimum wages, leave salary, uniform, ex-gratia, gratuity, ESI, Provident Fund, Workman Compensation, if any, etc. in connection therewith shall be on the Contractor's account payable by the Contractor.

15. Contractor should obtain necessary permission that may be required for the purpose of this Contract from such authorities as may be prescribed by Law from time to time.
16. Contractor or his authorized representative should visit the site frequently as required by the Bank and meet Bank's approved Architect with prior appointment for any clarifications and to receive instructions, take measurements, etc. at the site.
17. Contractor should provide uniform to his workers engaged at site. The Contractor should arrange to issue photo identity card to his workers.
18. Contractor shall be fully responsible and shall compensate Bank with suitable Insurance cover in the event of any damage to men or material, injury / damage or death as the case may be, caused directly or indirectly due to the negligence of the Contractor or his agents and / or his employees or workmen. The decision of bank in this regard shall be final and binding.
19. Any act of indiscipline / misconduct / theft / pilferage on the part of any employee engaged by the Contractor resulting in any loss to Bank in kind or cash will be viewed seriously and Bank will have the right to claim damages or levy fine and / or terminate the Contract forthwith, if necessary.
20. In case of any default or failure on Contractor's part to comply with all / any one of the Terms/ Conditions, Bank reserves to itself the right to take necessary steps to remedy the situation including, inter-alia, the deduction of appropriate amount / s from dues otherwise payable to Contractor and / or by taking recourse to appropriate recovery proceedings.
21. Testing of materials and works and preparation of samples: All materials shall be first quality as per specification. Any work and/or material if rejected for quality should be removed/ replaced from the site. The contractor shall, if required by Bank, arrange to test materials and/or portion of the work at his own cost in order to prove their soundness and efficiency. If after any such test, the material or portion of work is found, in the opinion of the Bank to be defective or unsound, the contractor shall pull down and re-erect the same at his own cost.
22. Keeping the area clean and removal of debris: Contractor shall arrange to dispose off debris, any other waste product created while carrying out the work, outside Bank's premises. The Contractor shall take due care while disposing of such waste materials and ensure that any rules / regulations laid down by Municipal Corporation or any other statutory body are not violated. The Contractor shall be responsible and answerable to any complaint arising out of improper disposal of waste material. Quoted rates shall involve the cost of same and no extra payment shall be made towards this account.
23. All items to include the disposal off unserviceable material / Melba to approve municipal yard. Daily cleaning of the house is to be carried out.
24. BOQ nomenclature shall prevail over any drawing/detail.
25. The specifications for the entire work shall be in accordance with latest PWD CSR specifications and codes. Whenever these codes are silent, the same shall be governed by sound engineering practice and the decision of the Bank in matter of interpretation shall be final and binding on the contractor.
26. For any queries/discussions related to drawing and items specification shall be discussed in the bank/ architect office.

Annexure –VII

PREAMBLE TO BILL OF QUANTITIES

RATES TO INCLUDE:

Rates quoted shall be for the items completed in all respect at all floors/heights/levels including all taxes, octroi and the cost of all materials, fittings, fixtures, all labors and for all the operations as detailed in the specifications and contract conditions. Apart from other factors mentioned in the specifications and contract conditions, rates quoted for the items in this schedule shall also include the following:

GENERAL:

Whether mentioned or not in the Bill of Quantities, all works are to be carried out as per the drawings, designs, catalogues and or instructions of the Bank. Nothing extra shall be paid over the quoted rates for not understanding the designs etc. beforehand.

Samples of all works/items shall be got approved from the Bank before supply at site and nothing shall be paid for the cost of samples.

Any incidental work required to complete the item and not specifically covered in the item as mentioned in Bill of Quantities shall be completed at no extra cost.

All finished work must be truly vertical and horizontal or in any other plan as shown and required true to lines and levels. The contractor must inspect the various existing surfaces and areas on which they have work on and take whatever measures necessary to achieve the objective and include the cost of same in his rate as no extra will be payable for this purpose.

The contractor shall be required to produce the manufacturer's certificate for the material supplied by them if asked by the bank. Employer can ask for testing of materials in the approved test laboratories. The result shall satisfy the requirement of the relevant **IS standards**

Unless otherwise specified all exposed surfaces shall be finished in line and level and smooth.

Hardware

Necessary handles, tower bolts, ball catchers, stoppers, hinges, brass/GI screws, nails, locks, sliding rails, nut and bolts etc shall be provided by the contractor which shall be out of the approved make of these materials annexed in the technical specifications/approved by bank.

Painting and Polishing (if any)

All finishes like painting and polishing shall be as per the satisfaction of the bank.

Thoroughly brushing the surface to be finished, free from mortar dropping and other foreign matter including preparing the surface and sand papering to give an even surface.

All painting work to be completed with at least one coat of the primer along with two coats of the paint as per the technical specifications, manufacturer's specification and to the satisfaction of the bank.

All the polishing work to be completed with at least two coats of the polish of the approved make as per the list of approved manufacturers and to the full satisfaction of the bank.
