SCOPE OF WORK

1. Brief details of the Project:

The selected Architect will have to understand the requirement of “**work in progress/Balance work**” of corporate office by visiting at the site. The architect will have to review the status of work done, identifying shortcoming, quality assurance, supervision & execution, verification of bills and submit the same to the Bank. During the execution, the Architect has to provide quality supervision and certification of works to enable the Bank to release payments raised by the contractors. Upon completion of work, the Architect will have to obtain completion certificate.

2. Duties / scope of work expected from the Project Architect

- 2.1 Taking the instructions from Bank, visiting the sites, complete survey of the site.
- 2.2 Submitting a proper PERT CHART / Bar Chart incorporating all the activities of “**work in progress/Balance work**” required for the completion of the project well in time i.e. in case of further need, if any, preparation of working detailed/drawings, suggesting modifications, if any etc. The programme would also include various stages of services to be provided by the Project Architect / Consultants.
- 2.3 Modification if required in architectural working drawings, electrical installations, telephone installations, furnishing plans, cross sections, etc., detailed estimates and all such other particulars as may be necessary for completion of “**work in progress/Balance work**” of the project.
- 2.4 The assessment report shall be based on detailed estimate, proper analysis of rates with constants from an approved Standard Hand Book and market rates of materials and labor for major items of works costing about 90% of the estimated cost of the work.
- 2.5 All commercial conditions shall be evaluated in financial terms instead of merely saying whether a condition may be accepted or not.
- 2.6 Assuming full responsibility for supervision and proper execution of all works by General and Specialist Contractors who are engaged from time to time, including control over quantities during the execution to restrict variation, if any, to the minimum.
- 2.7 No deviations or substitutions should be authorized by the Architect without working out the financial implication, of any, to the contractor and obtaining approval of the Bank. However, where time does not permit and where it is expedient, the Architect may take decisions on behalf of the Bank, the total cost of the item/deviation of which should not exceed Rs.10,000/-. This deviation shall be got subsequently ratified from the Bank duly justifying his action at the earliest.
- 2.8 Checking measurements of works at site. Checking contractor's bills, issuing periodical certificates for payments and passing and certifying accounts, so as to enable the Bank to make payments to the contractors and adjustments of all accounts between the contractors and the Bank. Architects shall assume full responsibility for all measurements certified by them. It shall be mandatory on the part of the Architect to check the measurements of various items to the extent of 100% of each item of work claimed, in each running bill.

2.9 The Architect / Consultant to issue certificate of payment as under:

Certified that the various items of work claimed in this _____ running bill / final bill by the contractors _____ have been completed to the extent claimed and at appropriate rates and that the items are in accordance with and fully conforming to the standard /prescribed specifications and drawings. We further certify that we have checked the measurements to the extent of 100% of each item claimed in this bill. Hence the bill is recommended for payment of Rs. _____.

Date _____

(Signature of the Architect)

2.10 The Architects shall endorse the above certification in the relevant Measurements Books also.

2.11 The Architect shall certify after test / commissioning / final inspection and check as the case may be, the completion of the work and / or satisfactory functioning of the system in services and utilities, as the case may be.

2.12 On completion of the project, prepare "as made" completion furnishing works and electrical and other services along with a brief report on the project and relevant calculations and submitting 4 copies of the same for the records of the Bank. A soft copy of the drawings if any, modified/prepared & other related document shall also be submitted to the Bank.

2.13 The Architects shall be wholly responsible for the successful completion of the project in all respects consistent with safety and structural stability from the inception upto the handing over for occupation to the Bank.

2.14 The Architects shall assist the Bank in all arbitration proceedings between the contractors and the Bank and also defend the Bank in such proceedings.

2.15 The Architect shall furnish two complete set of furnishing, electrical, Air Conditioners and other related works design and calculation for the Bank's record.

2.16 Any other services connected with the works usually and normally rendered by the Architects, but, not referred to herein above.

2.17 The Architect / Consultant shall also assist the Bank in inspection and replying to the queries raised by vigilance / audit authorities.

2.18 The Architect / Consultant should conduct site meetings on weekly basis to be attended by the Bank / contractor's representative.

2.19 Any other services connected with the works usually and normally rendered by the Architects but not referred herein above.

2.20 In case it is established that due to fault of the Architect / Consultant, the Bank has to pay any extra amount due to over-run of the project, over measurements – faulty description of tender item or any other lapse on the part of the Architect / consultant necessary recovery may be effected from the Architect's / Consultant's fee as per provision of section 73 of Indian Contract Act 1872 under Section 30 of Architects Act 1972 (Central Act No.20 of 1972), besides Bank's taking recourse to proceed against the Architect / Consultant for recovery of the extra amount incurred by the Bank. The Architect's / Consultant's liability may be however limited to 10 % of the fees paid to him.

2.21 In the event of any dispute, difference or question arising out of or touching or concerning assignment given to you at any of the field office, the same shall be referred, at the option of either party, to the arbitration of a sole Arbitrator mutually agreed upon and in default of such agreement both the parties shall appoint one arbitrator each and both the arbitrators shall appoint one presiding arbitrator (umpire). All the arbitrators shall be the Fellows of the Indian Institute of Architects or the Institution of Engineers (India). The said arbitration proceeding shall be under the provision of the Indian Arbitration and Conciliation Act, 1996 together with any statutory modifications thereof. The award of the arbitrator(s) or umpire, as the case may be, shall be final and binding upon the parties.

2.22 The Architect / Consultant shall take proper care in estimating the quantity of work required and shall not increase quantum of work.

2.23 The Architect / Consultant shall not be recommending mobilization advance to any of the contracting agency.

2.24 Architect/ Consultant have to deposit 5% performance guarantee/FDR of equivalent amount issued by any branch of Punjab Gramin Bank on allotment of work. Further, 5% from bills of the architect shall be deducted in case of default under any clause of agreement & may lead to forfeiture/deduction or both.
